

SECURE ACCESS

Device Registration

Set up the ForgeRock app to securely access the HSFT Investor Portal.

1

Download

Get the App

2

Sign In

Select Mobile App

3

Scan

Add Account

4

Verify

Complete Login

BEFORE YOU START

Have your portal username and password ready, and ensure your mobile device can use the camera.

01

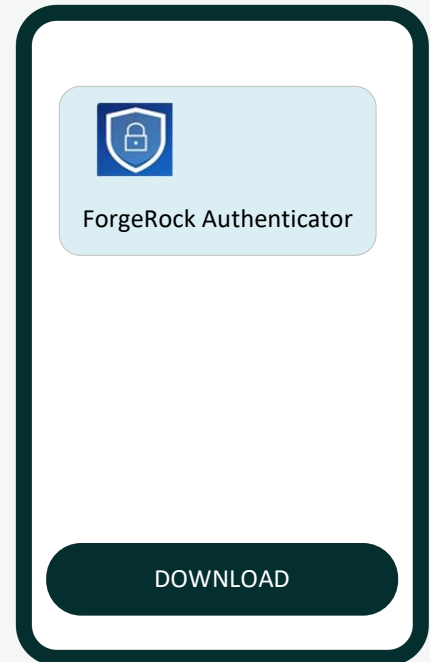

DOWNLOAD THE APP

Install ForgeRock

Download the ForgeRock Authenticator Application from the App Store or Google Play

WHAT TO DO

1. Open your device store
2. Search for the ForgeRock App
3. Download and install the app

02

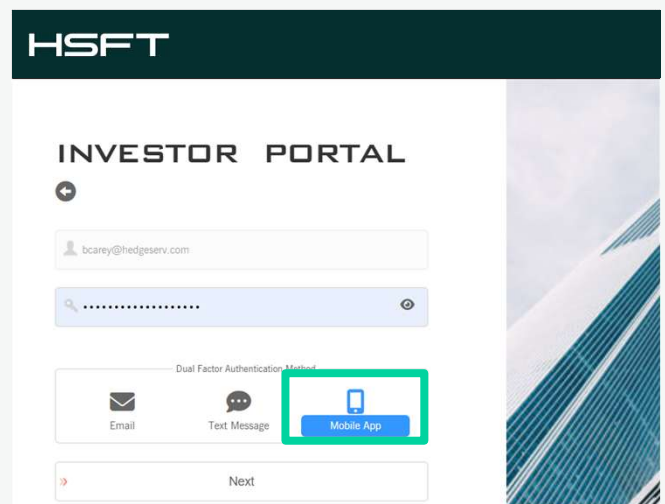

SIGN IN TO THE INVESTOR PORTAL

Choose Mobile App as Dual Factor option

Log into the Portal with your username and password, then select Mobile App as the authentication method

IMPORTANT

Use the Mobile App authentication option during sign in. Keep the portal screen open for registration.

03

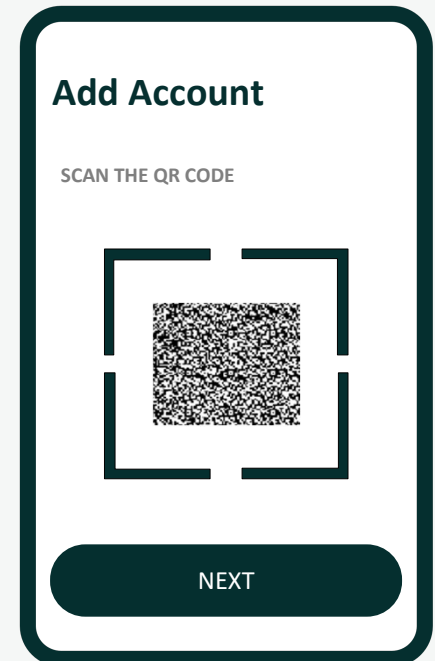

SCAN THE QR CODE

Add your Account

In the ForgeRock app, add an account and use your device camera to scan the QR Code displayed in the investor portal.

ON YOUR MOBILE DEVICE

1. Open the ForgeRock App.
2. Select the option to add an account.
3. Allow camera access if prompted
4. Scan the QR Code displayed in the Investor Portal.
5. Once scanned, select "Next".

SCAN TIP

Hold the device steady and position the full QR Code inside the scanner frame.

The QR Code shown is illustrative only. Use the QR Code displayed during your own portal registration.

04

VERIFY REGISTRATION

Enter the code

Enter the verification code and select 'Log in' to complete device registration.

FINAL CHECK

1. Read the verification code in the app.
2. Enter the code in the portal.
3. Select 'Log in'.
4. Registration is complete after successful sign in.

Verification

Enter Verification code

REGISTRATION COMPLETE

Your mobile device is now ready for secure portal authentication.
